

Man Dies In Car Mishap; Another In Narrow Escape

Andrew J. Rankin, 28, a resident of the Lakeview Motel and employed by Briggs, Conley and Dennis on the new summit freeway, was killed Tuesday night when his car left the highway along Donner Lake and overturned, pinning him inside.

Although it was evident the accident occurred about midnight, the car, 40 feet off the highway along the shoreline, was not discovered and reported to the highway patrol until 7:22 Tuesday morning.

The vehicle apparently went end over end for some distance. Rankin was not married and leaves his mother, a resident of Pennsylvania.

The body was taken to the Truckee Colonial Mortuary.

Car Burns

In a spectacular accident just below the cut on Donner Summit at 10:20 p. m. Tuesday, Joseph Boyette, 27, operator of Joe's Ski Inn at Norden had a narrow escape from death.

Blinded by lights from an oncoming vehicle, Boyette swerved into the rocks then the car plunged down a 60 foot embankment. He rode the vehicle down and leaped from the car just as it caught fire and was demolished. Boyette fortunately was not injured.

Two Hurt

William E. Franks, 30, and his passenger, Oddmund K. Sjoli, 26, both of Napa, were seriously injured Tuesday at 5:40 p. m. when their pickup truck skidded on the wet pavement near Hirschdale and overturned. They were taken to the Tahoe Forest Hospital.

District Offering Acreage For Sale

The directors of the Truckee Public Utility District this week are advertising for bids for the sale of 25.94 acres of land just west of the Brockway shortcut and about a mile from the new Truckee Tahoe Airport.

Bids will be opened by the board at a meeting October 30 at 8:30 p. m.

It was pointed out by Francis Longo, manager of the district, that development plans by the purchaser, if one is selected, must be presented and approved by the board which reserves the right to reject any or all bids providing they fail to meet the requirements. Longo said that an opening bid of \$39,000 had been received by the board from C. S. (Butch) Beavers, who owns considerable adjoining land in the Ponderosa Heights Subdivision. No bid under that figure will be considered, Longo explained.

The boys of the order will appreciate the response of the public, doing a good job for a nominal fee.

The organization has resumed fall meetings, held on the first and third Wednesday of each month, convening at 7:30 p. m. in the Masonic Hall at Truckee. Plans for the year's activities are being discussed and all members of the order and the Masonic Lodge are invited to attend.

WEEKEND DRIVING IN AREA SETS NEW MARK

Officials in the state plant quarantine station on U. S. Highway 40 at Truckee, reported a record 26,780 vehicles were checked through the station Sunday.

Vehicles were bumper to bumper from 1 p. m. to 6 p. m. Station officials and visitors to the Lake Tahoe area and others who did not leave the state probably doubled the 26,780 count of traffic passing through the station.

The reason for the record traffic flow was fourfold: deer season opening, sports car races in Reno, camel races in Virginia City and perfect weather.

Lightning Starts 23 Fires When Freak Storm Hits Area

A total of 23 fires in the Truckee District of the Tahoe National Forest were started by the violent electric storm resulting from a maverick "cold low" which has been lying off the Pacific Coast and which swept in Tuesday afternoon bringing rain, sleet and a rash of lightning.

None of the fires proved serious as heavy rain accompanied the storm.

Nine of the fires, the U. S. Forest Service reported, were in the Hell Hole area, four in the Donner Lake area, three near Squaw Peak, two at Twin Peaks west of Tahoe, two on Carpenter Ridge, one each at Ellis Peak, West Lake and Euer Valley.

The lightning caused a four hour power failure on Donner Summit.

Opinions Differ At Tahoe Road Meet

MECKS BAY—As expected, the hearing on a proposed scenic parkway between the D. L. Bliss State Park and Tahoe City held at Meeks Bay resulted in a barrage of protests as well as a like number of endorsements.

There were approximately 230 persons at the meeting held in Meeks Bay theater.

Spokesmen for the summer home residents voiced strong protests against the need for the four lane freeway along the west side of Lake Tahoe. Alan S. Hart, district highway engineer said the 15 mile freeway could not be built for at least 10 years and that its cost would be approximately \$19,313,000. The hearing at this time, he explained, was to determine the most practical route so that rights of way could be secured before the remaining land in the area is subdivided.

Assistant District Engineer Harold Sherwood said traffic at the southern end of the route will average 5,300 cars daily during the peak tourist season in 1965 and this will increase to 16,000 cars per day in 1985.

Such a volume of traffic, he said, will require a four lane divided highway with no access to private property.

The results of the hearing will be studied before a recommendation for the route is presented to the highway commission, Hart said.

DRIVER IS INJURED IN HIGHWAY MISHAP

Harvey A. Carroll, 54, Mesa, Arizona, was seriously injured Monday at 5 p. m. when his pickup truck plunged 100 feet off Donner grade at Big Shot. He was taken to the Tahoe Forest Hospital by Truckee ambulance for treatment of chest and head injuries.

Carroll was driving east pulling a small trailer when a wheel struck a rock in the road causing him to lose control and the vehicle swerved off the grade. Patrolman William Gausche investigated the accident.

Church Destroyed By Morning Fire; Homes Now Used

The old Sportsman Cafe, across the highway from the high school, used for the past four years by the Sierra Bible Chapel for services, was virtually destroyed by two fires early last Friday morning.

Believed to have started in the kitchen, the first fire was discovered and the alarm turned in about 5 a. m. The Truckee Volunteer Fire Department responded and extinguished the blaze. Two hours later, however, the second blaze broke out, apparently in the attic and again the department was summoned but not before the building was completely gutted.

The property is owned by I. O. Gifford of Sacramento.

As a result of the fire, Rev. Roy Rhoades, pastor of the Bible Chapel, said Sunday schools are divided, one group being held at the Bud Denney home and the other at the home of Rev. and Mrs. Rhoades, both in Gateway. Morning worship was held at the Denney home and the evening service at the home of Mr. and Mrs. George Hanson.

Erwin Kellogg has offered to replace all hymn books and Youth Songs for the Sunday school and the J. J. Mandevilles have offered the use of their piano as soon as permanent quarters have been found. Proceeds from the sale of candy by the young people, intended for furnishing class rooms, will now be used to replace teaching material and flannelgraph easels, Rev. Rhoades said.

Three Bodies Are Found In Downed Plane On Summit

The remains of three San Mateo men were flown by helicopter late Sunday from the site where their light plane crashed on the 7,500 foot slope of Snow Mountain five miles south of Kingsvale.

The plane, which disappeared last April 27 en route from Placerville to the bay area, was found Saturday by Harry W. Stout of Truckee, who was deer hunting in the area.

Sheriff Lieutenant Paul Norton and Deputy Coroner Kenneth Quinn identified the men as Ben Phipps, Richard Scrogings and Larry Larsen, all 32. Phipps, the pilot, had flown to Placerville and left a passenger and left about noon to go back to San Mateo.

Norton said the blue and white plane nosed into a group of pine trees 500 feet from the peak of the mountain on the west slope. He said a clock found in the wreckage had stopped at 1:15 p. m. Phipps' last radio message was, "I'm lost. Somebody help me!"

Lions Miss Dinner As Cafe Burned

About 50 members and guests of the Truckee and Sparks Lions Clubs were given a warm reception when they gathered for an intercity meeting at the Chuck Wagon Cafe in Sparks last Thursday evening.

While the group waited patiently for the 40 steaks sizzling in the kitchen, smoke began seeping into the room and the waitresses scurried about, casting worried glances toward the kitchen.

Truckee Lions Zeph Rose and Frank Fox secreted the Sparks Club's coveted meeting bell and left the room to put it in their car, preparatory to bringing it to Truckee where it would remain until the Sparks Club visited here.

Outside, he saw smoke billowing from under the eaves of the building and a few minutes later the fire, now out of control burst forth, the fire department arrived, confusion was rampant in the parking lot and the clubsters fled the building, intent upon getting their cars out of the danger zone.

The 40 steaks apparently were just too much at one time for the grill and went up in the flames while the clubmen went without dinner.

LOMAX TO MANAGE RICHFIELD STATION

Lockwood said he plans to devote his future to developing new homes in the area and at Reno as rental and sale units.

TAHOE CITY—Investigation into the activities of a pair of bay area teenagers is being continued by Placer and Washoe County deputies.

The 17-year-old boys were arrested by Washoe County Nevada, sheriff's officers September 14, and charged with armed robbery.

In their possession was a check book which had been stolen from a Kings Beach service station, and from which they admitted writing and cashing two checks in a Kings Beach restaurant.

Also in their possession were license plates, registered to the automobile of a Tahoma couple.

Wolverines Drop Close Game; Will Play Colfax Fri.

With the score tied 12 to 12 going into the final seconds of the game, Quincy Guard Gordon Vogt intercepted a Tahoe Truckee pass in mid-field and the Trojans three plays later broke the tie to win on the local field 18 to 12.

In the preliminary game, the Quincy juniors scored a 34 to 7 victory over the Tahoe Truckee Junior Varsity.

Friday night the Wolverines travel to Auburn where they will meet the Colfax eleven. Last year Colfax defeated Tahoe Truckee 8 to 0 and this will mark the second encounter between the two. Colfax last week beat Courland 14 to 7 and showed up as a hard fighting, fast team.

In Saturday's game the Wolverine offense showed great improvement over the game with Lincoln, but the defense didn't stack up so well and Coach Ken Holback said changes are indicated for the Colfax battle in this department.

Outstanding player awards last week went to Halfback Butch Smith on the offensive team and to Jim Grady, linebacker on the defensive team.

Community support for the team was shown Saturday when a large crowd turned out to witness the close contest.

Deer Kill Here Is Equal To Last Year

The first weekend of the current deer hunting season saw more hunters in the area than last year and about an equal number of deer were killed, according to a report by the Truckee District of the Tahoe National Forest.

Henry Toccalini of the local office said that up until Monday night 234 tags had been turned in, about the same as last year. The Donner Ridge burn, the airport area and other lower elevation ranges proved to be the best hunting, with the deer apparently already leaving the high areas.

Bob Seibold and Nat Quilici were among the first local hunters to bag their buck, each killing one in the vicinity of Verdi Peak on opening day.

One Fire

One fire in the district was blamed on hunters. One acre was burned over three miles southeast of Hirschdale Saturday about 1:30 p. m. The helicopter quickly put men on the fire and they were later aided by a ground suppression crew, two borate planes and quickly enlisted hunters.

THREE BABIES BORN AT LOCAL HOSPITAL

3,682 Take Sabin Vaccine; Second Clinic On Friday

Dr. Ray Wiser, deputy Nevada County health officer, reported that a total of 3,682 people at North Lake Tahoe and Truckee received the Sabin polio vaccine in the two local clinics Sunday. Of these 1,933 were given the treatment at Truckee and 1,749 at Tahoe City.

For those who were unable to take the vaccine Sunday, Dr. Wiser announced that another clinic will be held Friday between noon and 2 p. m. in Truckee and at his Tahoe City office between 6 and 8 p. m. Friday evening.

To the many volunteers who aided in the inoculation program Dr. Wiser expressed the thanks of the officials in charge, adding that without this help the program would have been impossible. The assistants included the local nurses, Tahoe Forest Hospital Auxiliary, Bank of America employees, sheriff's department, and many others.

The vaccine for the clinic was brought to Truckee by helicopter operated by Jack DeVore Helicopters, Inc., AETA, and Miss Ruth Knight, school nurse, who made the trip to Auburn returning the medicine in 45 minutes from its refrigerated storage place.

Late Sunday afternoon when it was shown that the initial supply would be exhausted, local pilot Jack Hougate of the CAA, accompanied by Zeph Rose, took the former's plane and flew to Auburn for an additional 1,000 doses.

Group Seeks To Oust Constables

The Nevada County Board of Supervisors Monday will discuss a recommendation by the Grass Valley Junior Chamber of Commerce that the offices of constable be eliminated in Nevada County and that the duties be transferred to the sheriff's office.

Chairman H. G. Loehr said the action, even if adopted by the board, would have no effect upon the local office held by N. F. Dole for at least four years and probably not at that time.

The recommendation was made to the board at the last meeting by Peter Ingram, who appeared before the group on behalf of the governmental affairs committee headed by Don Hoagland. He urged the supervisors to make the change, terming the constable posts outdated and superfluous.

The board, after consulting with Sheriff Wayne Brown, agreed to discuss the matter more fully at the next meeting.

The recommendation called for elimination of the Grass Valley post immediately as a vacancy now exists and termination of the post in the Truckee and Nevada City Judicial Districts as the incumbents' terms expire. Appointment of "resident" deputy sheriffs to perform the duties of constable with fees turned in to the county general fund was also recommended.

Airport Will Open Sunday In Brief Local Ceremony

California's newest airstrip, the Truckee Tahoe Airport, located two miles south of Truckee on the Truckee-Kings Beach Highway, will be officially opened to traffic at 11 a. m., September 30, with its slogan "Safety First."

At this time Forest Fiorini of Turlock, chairman of the California Aeronautics Commission will present the permit from the state, authorizing the official use of the airport, to John Hougate, chairman of the district board of directors.

The dedication of the airport will take place early next spring. The airstrip is being opened to traffic at this time to supply an increasing demand for air service to the resorts at the north end of Lake Tahoe, Squaw Valley, Alpine Meadows and the Truckee-Donner recreational areas.

The board of directors at a meeting this past week adopted a resolution stating that "the safety of pilots and passengers using this airport was of paramount importance and that except in case of an emergency, no unauthorized parachute jumping would be permitted within its air traffic pattern."

The Truckee Tahoe Airport, consisting now of a 6,000 foot paved runway, 100 feet wide with a short taxiway onto a 200x200 foot paved parking area, is in its second phase of a six phase program. A phase a year is being built and when completed, will provide a full length taxiway, terminal building, hangars, lighting for night operation, larger parking area and all the facilities of an up to date trunk type airport.

Freeway Signing Plans Discussed

Blair Geddes, district traffic engineer for the division of highways, met with members of the Truckee-Donner Chamber of Commerce at Smart's yesterday to discuss the signing of the new freeway from Donner Summit to the state line.

The night before he met with the Donner Community Club to discuss a similar project in that area.

Geddes listened to the recommendations of the two organizations and will submit them to headquarters for consideration.

Those attending the meeting agreed that the signs proposed would properly designate the various centers including the Truckee sign near the Donner Monument with a "Central Truckee" sign at the McIver off ramp. Scores of signs will indicate every turnoff and point of interest and business if the recommendations are followed.

It happened 100 YEARS ago

The oldest incorporated trade association in the country, the United States Brewers Association, was organized in 1862 . . . the same year that

IN CALIFORNIA, Leland Stanford, the founder of Stanford University, was inaugurated as the eighth governor of California. Throughout the state, folks toasted the event with foaming steins of beer.

For then as now, beer was the traditional beverage of moderation—light, sparkling refreshment that adds a touch of hospitality to any occasion. Californians have always enjoyed the good fellowship that goes with every glass.

TODAY, in its centennial year, the United States Brewers Association still works constantly to assure maintenance of high standards of quality and propriety wherever beer and ale are served.

DIVOT DIGGERS

By BETTY KIELHOFFER

Well, the championship matches still are not complete. We have one more match between Mike Popovich and Bob Tonini before they are over, so I'll give you what

I have. Ange Besio was the victor in his match with Frank Giovannoni so he is now the champ among men with Frank the runner-up. I understand it was a good match. Though Ange is noted for being a good golfer, Frank is fairly new to the game in comparison so it was a real feather for him to go

all the way to runner-up in this annual contest. Congratulations to both.

For the gals, I surprised myself by winning the ladies championship trophy when I played off the final 6 holes with Georgianna King, who will receive the runner-up trophy. She is about the gamest golfer I've ever played

and dearly loves competition as I do. We were up and down all the way, and believe me it was anybody's game right down to the end.

Majel Rose was the big winner in the ladies first flight and if I'm right, I think this will be her first big win in golf. She's also comparatively new at the game (four

or five summers) and shows with this win that she is great under pressure.

Ethyl Osburn, who is really hitting that ball, is the runner-up in this one and will also receive a trophy. Next week we'll let you know how the men's first flight rounded out.

BUSY PROGRAM FOR CHURCH ANNOUNCED

The Church of the Mountains will show the outstanding documentary motion picture of the year, entitled "Our Bible — How It Came To Us" at the rally day service, Sunday September 30 at 9:45 a. m. Years of diligent planning, research, and scholastic collaboration went into the scripture before more than 250 actors began their work. This motion picture won the National Evangelical Film Foundation Award. Everyone is invited to see this motion picture giving the complete, authentic story of how our Bible came to us. This picture is being flown direct from the American Bible Society in Los Angeles for this special showing at the Church of the Mountains this Sunday morning.

It is hoped by the pastors, the Rev. Sidney C. Smith, that this will be a great rally day for the Sunday school. J. Edgar Hoover, for many years the director of the FBI and John Glenn, America's astronaut, both are faithful Sunday school teachers and urge American families to register in a local Sunday school and attend and participate regularly.

The following Sunday school officers and staff of teachers and workers will be introduced following the showing of the motion picture this Sunday by the minister: Mrs. Virginia Stone, superintendent; Mrs. Posten Wilson, assistant superintendent; Mrs. Barbara Small, Miss Ann Morey, Mrs. Jo Jernigan, Mrs. Nancy Hawthorne, Miss Bessie Foote, Miss Shirley Constan, Jerry Jernigan, Miss Vickie Firpo, Mrs. Ava Glenn, Mrs. Jeannette Smith, Mrs. Marie Jernigan and Rev. Smith.

A Sunday school class with a responsible, adult teacher, and a substitute teacher is available for every age. Sunday school starts at 9:45 a. m. and closes at 10:45 a. m. at the Church of the Mountains. A new curriculum of Sunday school materials of the Methodist Church will go into use beginning October 7.

At the church service, Miss Shirley Constan and Marvin Constan will be baptized by immersion in water from the Truckee River by Rev. Sidney C. Smith at 11 a. m.
